Commissioner for Patents  
P.O. Box 1450  
Arlington, VA 22313-1450

Sir:

Pursuant to the provisions of 37 CFR § 1.56 and § 1.97-§ 1.98, Applicants hereby submit two patent references which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose.

A list of the references is set forth on the attached Substitute Form PTO 1449. Copies of the listed references are not provided, because they are an issued United States patent and a published U.S. patent application. The undersigned became aware of the listed references via an Office Action in a related patent application. The mailing date of said Office Action was June 30, 2008.

While the references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that said references are "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed references.

This IDS is being filed before the receipt of a first Office Action following the filing of a Request for Continued Examination under §1.114 that was mailed to the USPTO on December 20, 2007. Therefore, no fee is due. Should a substantive Office Action have recently been mailed by the USPTO, no fee would be due, because no item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in this Information Disclosure Statement was known to any individual designated in 37 CFR § 1.56(c) more than three months prior to the filing of this Information Disclosure Statement. 37 CFR. § 1.97(e)(2).

While Applicants believe that no fee is due, the Commissioner is hereby authorized to charge our Deposit Account No. 19-3140 for any fees required in connection with the filing of this Information Disclosure Statement. This sheet is being submitted in duplicate.

Respectfully submitted,
